**To: Distribution**

FOR IMMEDIATE RELEASE – FOR IMMEDIATE RELEASE – FOR IMMEDIATE RELEASE

**From: Les Dahlstedt**

Hans Hildebrandt has joined Universal Vacuum Technology LLC as Sales Specialist, supporting the company's customers throughout the US and Canada.

**CC: File**

A 2016 graduate of Pepperdine University with a Bachelor of Science / Sports Medicine, Mr. Hildebrandt brings his love of science and technology to bear as he helps to delineate the equipment requirements for customers across UVT's diverse market base. Away from business activities, Hans has been an active volunteer both internationally and, in his community, teaching English, math and science, counseling underprivileged children and feeding the homeless.

Universal Vacuum Technology is a supplier of products used in science and industry, with a specific focus on controlled atmosphere and vacuum process applications. We serve the North American marketplace from our headquarters in Roseville, CA
